

# Dream Stay- Bansi

Our Home Stay is located in a best administered colony on Fatehabad road of Agra. Our Home Stay has been classified in Gold Category by ministry of tourism, Gov. of India. It is approved by U.P. Tourism (Govt. of Uttar Pradesh).

We have 5 AC rooms with private bathrooms divided into two setups facing each other.

Our kitchen is vegetarian, an evolving art with our very own chefs. Cumin, Coriander, Cardamom, Mustard, mango, ginger, fenugreek, turmeric, tamarind, saffron, curry leaf, coconut leaf, almonds and cashews....indeed these are only the seasonings! We will cater to special requests, and typically serve fresh, organic and locally procured produce and food from the very best sources.

One of our roof top has a terrace garden.
